Re: - Operation Atlantic Blue.

Dear Billy,

I would like to take this opportunity to congratulate you and your staff on the very professional and conscientious manner in which this contract was undertaken.

My client and colleagues were delighted with the way your work force conducted themselves while carrying out the works, as this required working in a confined area and within a very tight time scale, this was no mean achievement.

Would you please pass on our thanks to Peter Cook without whose assistance we could not have delivered.

Many Thanks

R Connock
