Dear Glen,

Blenheim Crescent – Chapel Refurbishment

I am delighted to hear that once again MBFM has been highly commended for their work whilst working with VINCI and in particular Gordon Hayward has been individually noted for his calm and collected manner and 'just getting on with the job' ethic by the DIO officer and AP on the chapel refurbishment at Blenheim Crescent.

As a business we recognise excellence in our employees and on this occasion we feel it is appropriate to award Gordon with an extra mile award and I would be grateful if you would pass on the enclosed envelope for his attention.

Yours sincerely

Gary Nunn
Divisional Director
